DIRECTIVES**WHAT IS PAN (PERMANENT ACCOUNT NUMBER)**

- PAN is a unique identification number, which is issued to all the taxpayers and TDS withholding agents throughout the kingdom. PAN identifies each taxpayer and TDS withholding agents uniquely countrywide.
- PAN is necessary to process taxpayers and TDS withholding agents using computer systems.
- PAN is allotted only once in the lifetime of a taxpayer or TDS withholding agent. It never changes.

As you are withholding taxes on behalf of others such as contractors or employees, we need to provide you with PAN in order to clearly identify and track your payments in our computer system.
You are neither a taxpayer nor do you need to file an income tax return or VAT return.
